| 4/5/2022 | Past Event | 60 mins | Best Practices (CMS) | How to Build Your Unique Risk Assessment | This session will take the concepts we learned in Understanding the Purpose and Function of Risk Assessment and its Relationship to Internal Controls and provide examples of how to utilize these concepts in documenting a risk assessment that aligns with the distinct risks of your organization's payment processing program. We will cover a variety of examples, particularly related to Consumer Protection compliance and legal risk for particular products and services. | Monika Jones Presidents TPPPA | Member Only | Y |
| 4/20/2022 | Past Event | 60 mins | Best Practices (CMS) | Developing, Testing and Maintaining Internal Controls Framework | In this session we will further expand our work with risk assessments and delve more deeply into internal controls. Internal controls are the "how" we mitigate the risks identified in our risk. Creating a risk assessment at the internal control level allows your company to quickly identify which controls are most critical so that you can create a risk-based internal control testing program and schedule. The primary purpose of self-testing internal controls on a regular basis is to provide your company with the opportunity to self-detect and self-correct when controls are inadequate or fail. A properly documented internal control testing program helps to support your company in demonstrating a culture of compliance. | Monika Jones Presidents TPPPA | Member Only | Y |
| 5/5/2022 | Recorded Link | 60 mins | Best Practices (CMS) | Policies and Procedures and Their Function and How they Differ | In this session we will discover the different functions and purpose of Policies versus Procedures. Policies are directives of the Board that are designed to implement controls to mitigate the risks to the organizations payment processing program. Procedures are the instructions for implementing the board policies at a functional level. Both policies and procedures must be documented, approved by the board (policies) or management (procedures) and must be acknowledged by employees as they are implemented and updated. Employees should be trained on policies and procedures on a regular basis. Changes to policies and procedures must be tracked by version control and copies of previous policies and procedures should be archived for future review. | 5/18/2022 | Past Event | 60 mins | Best Practices (CMS) | Board Reporting and Oversight | In this session we will discuss the function of the Board of Directors in your organizations payment processing program. The Board is responsible for oversight of your program. The Board may designate day-to-day management responsibilities to senior management, but the Board must be able to demonstrate competent and regular oversight of the program. This is accomplished through the periodic board reporting on the program. This session will discuss the responsibilities of the Board and the reporting requirements expected by bank regulators. This session applies to both bank boards and boards of the payment processor. | Monika Jones Presidents TPPPA | Member Only | Y |
| 6/1/2022 | Recorded Link | 60 mins | Best Practices (CMS) | Due Diligence, Periodic Review and Ongoing Monitoring: A Risk-Based Approach | In this session we will distinguish the differences between Due Diligence, Periodic Review and Ongoing Monitoring. We will discuss how your organization can utilize its risk assessment and a customer risk score to develop risk based practices that will allow targeted measures to be applied to those customers that present a higher risk to the organization, and free resources applied to low risk customers. | Monika Jones Presidents TPPPA | https://attendee.gotowebinar.com/recording/8226010282470010712 | Y |
| 6/15/2022 | Past Event | 60 mins | Best Practices (CMS) | Risk-Based Due Diligence and Periodic Review | In this session we will take what we learned about utilizing a customer risk score as well as third-party risk management and discuss how to establish a robust due diligence and periodic review program. This will allow your organization to target resources on those customers that present the greatest risk and freen resources up from preventing lower risk.
